The NIV Bible has 773,692 words. It would take 70 hours to read aloud. It has 66 books, and 1189 chapters. It was written in three languages (Hebrew, Aramaic, Greek), over three continents (Europe, Asia, Africa), by over 40 authors (shepherds, farmers, tent-makers, physicians, fishermen, priests, philosophers, and kings), over a period of more than 1500 years. It has been translated into over 2000 languages. The Old Testament is incomplete without the New, and the New Testament cannot be understood without the Old. Together, they are God's revelation to man of His provision for salvation.
