Did you know?
The NIV Bible has 773,692 words. It would take 70 hours to read aloud. It has 66 books, and 1189 chapters. It was written in three languages (Hebrew, Aramaic, Greek), over three continents (Europe, Asia, Africa), by over 40 authors (shepherds, farmers, tent-makers, physicians, fishermen, priests, philosophers, and kings), over a period of more than 1500 years. It has been translated into over 2000 languages. The Old Testament is incomplete without the New, and the New Testament cannot be understood without the Old. Together, they are God's revelation to man of His provision for salvation.

How to use this guide

- The top bar shows the division of months if beginning the plan on January 1.
- Month names and dates.
- Numerical order of readings (365).
- Table of book chapters. Each gap denotes a single chapter (lines show chapter breaks). Dark lines separate reading days. Read from one dark line to the next per day. Shade in the gaps as you read to track your progress.
- Book names and chapters. Each number represents the first chapter for the day's reading. It is intended to allow anyone to pick up the plan from any day at the correct chapter.
- Shows the separation of the classification of books types.
